

Importance of Tazkiyah for the Community

For the special status that IHSSAN has in our faith, scholars classify it as the most important of all Islamic sciences. Therefore, the Apex Mosque makes this subject a priority in visioning the growth of the Muslim community in the Triangle area.

Our imam offers courses of Tazkiyah twice a year: in the Fall and Spring. Participants explore the foundations of journeying to Allah through Islam-Iman-Ihssan. The sessions are held once a week for 2 hours and combine both learning and practice (i.e. Qiyyam, Dikhr, Quran Recitation, Retreats, etc.).

Registration for the program is required. The program is open for brothers, sisters and youth. Commitment to the program is a must for participants to fully benefit from it.

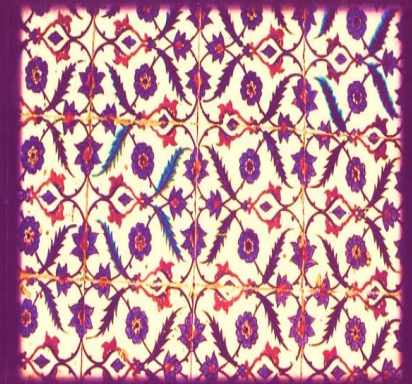

Importance of Tazkiyah for the Individual

The Most important of all Islamic sciences is Tazkiyyah; which is also called “Purification of the Heart”, “Spiritual Education”, “Journeying to Allah”, etc. Allah the Almighty said: “Verily those who purify their egos, are winners; and those who...are losers”. In Quran and the Sunnah, the different dimensions of heart’s purification are put together under the word “IHSSAN”, which means, “EXCELLING”. Believers are all invited to strive hard to excel,

- In their relationship with people: “wa bil walidayni ihssana”
- In their relationship with their Environment: “Allah has prescribed ihssan on everything
- In their relationship with their Lord: Ihssan is to worship Allah as you see Him: Feel His presence with us at all times.
