

Quran Memorization

This course is designed for those students, of all ages, who made Quran as the project of their lives and would love to embrace it with their hearts and minds.

Course features:

- Focused in memorization,
- Individual attention & Constant follow-ups,
- Two weekly sessions of one hour
- Start with short surat towards the long ones.
- Memorization takes place in class
- Very knowledgeable and well - trained instructors
- 3-5 ayat should be perfectly memorized in every class (depending on the length of the ayat)
- A parallel explanation of the ayat will be done
- Memorization takes place in parallel with the rules of tajweed
- Homework will be assigned after every class.

Quran Reading & Understanding

This course is designed for those students, of all ages, who have no knowledge of Arabic letters and sounds or those who might have a very basic one, but which does not allow them to pick up the Quran and read.

Course Features:

- Focused in teaching the Arabic letters and sounds, through the Quran script
- Individual attention & Constant follow-ups,
- Two weekly sessions of one hour
- Students should be able to read Quran after one trimester.
- Very knowledgeable and well-trained Native Arabic Instructors

By the end of this course, students should be able to read Quran with a fair ease and should be more prepared to apply the rules of Tajweed and start Quran memorization and more fluent reading.
